

LAUNCHPad Tax Tips for Artists

March 5, 2025 | 12:30-1:30pm | AFL Open Classroom

It's time to file your taxes! But it doesn't have to be overwhelming - LAUNCHPad is here to help. Join LAUNCHPad staff members Christina Manceor and Robin McGinness for an informative session covering the essentials for artists: including how to file, different types of income, self-employment basics, and other things to watch for like student tax credits. No matter what stage you're at with your work, bring your questions and let's make taxes a little less daunting!

***Disclaimer:** We are not tax professionals. This workshop and resources will consist of general guidance. We encourage everyone to work with a tax professional for more specific advice.*
